March 2 is National Read Across America Day, a day to celebrate our favorite activity. The day was established by the National Education Association (NEA) in 1998 to help get kids excited about reading. The day occurs each year on the birthday of beloved children's book author Dr. Seuss, so a perfect way to celebrate is to don a Seussian hat and read one his famous tales, like *One Fish Two Fish Red Fish Blue Fish*. On National Read Across America Day, students, teachers, parents and community members around the nation come together to read books and celebrate the joy of reading – join us!

"The more that you read, the more things you will know. The more that you learn, the more places you'll go." – Dr. Seuss

Communicating With the School Year-Round

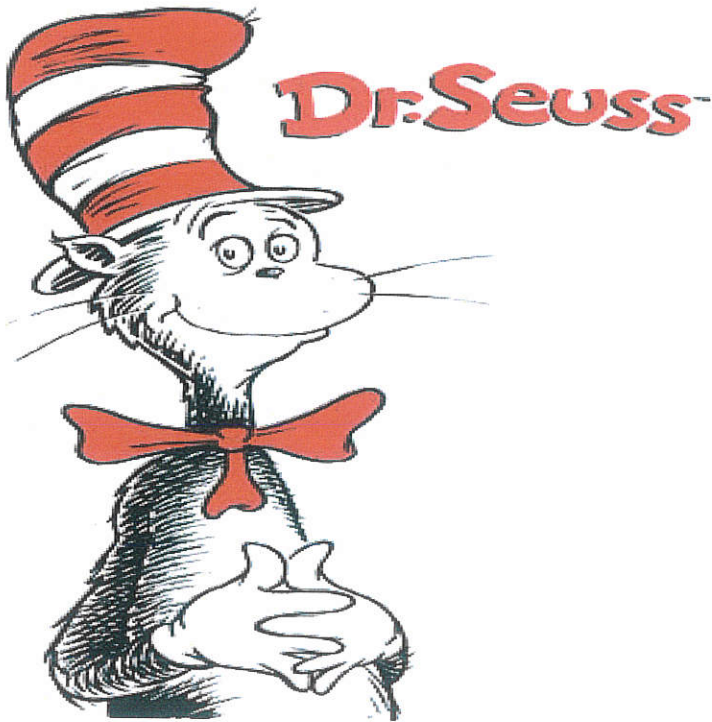

- ▶ Stay attuned to your child's academic accomplishments on a weekly basis. Praise those accomplishments appropriately.
- ▶ Communicate with the school regularly. When you have a concern or question, write a note, or email or phone the teacher. *We need you on our team!*
- ▶ Think ahead: at the end of the school year, schedule a meeting to discuss with the teacher your child's successes and challenges.
