Note from Mrs. Maki, Principal

Dear Happy Valley Primary Families,

Wow! What a busy, fun week we had! All students got to meet our motivational guest speaker, Mister Brown. He had so much fun with the kids and even played with them on the playground during our lunch recesses. He may be gone for now, but he left our students with these powerful messages:

- When you make better choices, you will live a better life.
- I am responsible for me.
- I can do hard things.
- Choose well...Oh yeah!

On Friday, our 1st-3rd graders experienced the Ninja Coalition at Anderson Middle School and got to test out their Ninja skills! Everyone represented Happy Valley Primary school so well and a great time was had by all.

Next week, students will continue to work on their end of the year goals in academics. Our third graders are gearing up for state testing in May so they can show what they know! Kindergarten students in Mrs. Clifton's class are rocking the Splash Math website and currently place in the top 5 of the state for math skills! Keep up the good work everyone!

Kindly,
Mrs. Maki
