Note from Mrs. Maki, Principal

Dear Happy Valley Families,

With only 19 days left of school this year, our students are excitedly anticipating all the fun activities that come along with summer. And while reading and practicing math facts may not be at the top of their list...we know that summer learning loss is a real thing! When they head into their next grade, ready to learn new skills because they don't have to re-learn old skills, it'll be worth the few hours a week you spent in the summer on key skills. You can support your young learners this summer break by trying some of the following:

- Maintain a schedule, including meals and bedtime.
- Keep a daily reading routine
- Encourage choice (in books and practice skills)
- Write in a journal
- Explore science (visit an aquarium, museum or go outdoors!)
- Practice math facts (addition, subtraction for K-1 or multiplication and division for 2nd-3rd graders)

**Kindly,
Mrs. Maki**

Shasta Youth Leadership Camp (SYLC) is designed to strengthen the leadership skills in Shasta County's middle school youth. The main purpose of SYLC is to prevent drug abuse, gang involvement, and violence among youth and to build a positive relationship between law enforcement and the youth of our community. Both Counselors and Campers are educated to lead their peers and to take a stand against drug abuse and youth violence. They leave with the ability to make a positive difference among their friends in school and in the community.
