## *Note from Mrs. Maki, Principal*

Dear Happy Valley Families,

It's hard to believe, but another school year has come and gone! The 2021-22 school year certainly had it's challenges, but our students prevailed and came out on top! They are truly remarkable, resilient young children and they are the reason I look forward to coming to work every day.

Looking back is always bittersweet, however, there are many things to celebrate about this school year. We were awarded the Kindness School Award for the overwhelming acts of kindness students displayed. Students and families donated food and presents to 33 families in our community during the holiday season. Our Kindergarten class placed in the top ten of the nation for Splash Math, and our third grade students rocked the state test for their first time! Personal goals were reached and expectations were exceeded in mathematics and reading throughout all grade levels.

I am so proud of our students and I am excited for them to enjoy their summer with family and friends. I wish the best of luck to our third grade students who will make the transition to the Elementary school next year. Goodbye for now, we look forward to seeing students next year. The first day of school is August 17th.

Kindly,  
Mrs. Maki
